INTERIOR PAINTS

Aura® Interior

The premium paint for when only exceptional results will suffice, delivering breathtakingly rich, deep colours with remarkable coverage. Proprietary Colour Lock™ technology locks colour into the film, resisting colour rub-off and impact to sheen.

Available sheens Matte, Eggshell, Satin, Semi-Gloss

Regal® Select Interior

Trusted by professional painters for over 60 years. Proprietary stain-release technology allows for easy removal of stains, while added scuff resistance stands up to daily wear and tear. Unbeatable flow and levelling for a beautiful, smooth finish. Our widest range of available sheens.

Available sheens Flat, Ulti-Matte, Eggshell, Satin/Pearl, Semi-Gloss

Ben® Interior

Formulated for an easy painting experience, no matter the surface or experience level. Great for touch-ups and fixing areas before drying. Zero-VOC and low-odour formula also provides scuff resistance for an easy-to-maintain finish.

Available sheens Matte, Eggshell, Satin/Pearl, Semi-Gloss

INTERIOR PAINTS

Aura® Bath & Spa

A premium bathroom paint providing breathtakingly rich colour in high humidity. Proprietary Colour Lock™ technology locks colour into the film. This matte finish offers exceptional hide and is easy to clean.

Available sheen Matte

Kitchen & Bath

A premium acrylic paint formulated to stand up to heat, moisture, and grime. This satin-finish enamel provides a mould- and mildew-resistant coating even under humid conditions.

Available sheen Satin

Muresco® Ceiling Paint

A trusted staple for classic white ceilings in a flat finish that diffuses light and obscures minor imperfections. The acrylic formula is easy to apply and leaves a uniform finish.

Available sheen Flat

INTERIOR PAINTS

Waterborne Ceiling Paint

The flattest finish offered by Benjamin Moore hides common ceiling imperfections for a look that is virtually flawless. Ample open time ensures minimal lapping and spatter. Available in thousands of colours in our 4 base system, plus ceiling white.

Available sheen Ultra Flat

SPECIALTY PAINTS

Advance®

A premium-quality waterborne alkyd enamel that delivers the desired flow and levelling characteristics of conventional alkyd paint. Creates a durable factory finish for cabinets, doors, and trim. Exceptional application and feel with outstanding coverage and hide.

Available sheens Pearl, Semi-Gloss, High Gloss

Floor & Patio

A premium-quality floor enamel formulated to provide a smooth, uniform finish for interior or exterior floor surfaces. Delivers excellent durability as well as colour and gloss retention.

Available sheens Low Sheen, High Gloss

INTERIOR PRIMER

Fresh Start® Undercoater & Primer/Sealer

A premium sealer and undercoater, this alkyd primer flows and levels to a smooth finish, delivering excellent enamel holdout and stain suppression. *Not available in all areas. Please check with your locally owned Benjamin Moore store.*

EXTERIOR PRIMER

Fresh Start® Deck & Siding Primer

Premium-quality exterior alkyd primer ideal for tannin-rich woods and weathered or chalky surfaces. *Not available in all areas. Please check with your locally owned Benjamin Moore store.*

INTERIOR/EXTERIOR PRIMER

Fresh Start® High-Hiding All-Purpose Primer

The go-to for significant colour change, our highest-performing 100% acrylic resin primer delivers maximum hide and a uniform finish across most interior and exterior surfaces. *Available in all markets.*

EXTERIOR PAINTS/STAINS

Aura® Exterior

Aura Exterior, with our exclusive Colour Lock™ technology, provides the ultimate performance for rich, full colour and outstanding durability.

Available sheens Flat, Low Lustre, Satin, Soft Gloss

Regal® Select Exterior High Build

Thick, high-build formula for optimal hide and fewer coats. Durable finish resists fading, cracking, and peeling. Dries quickly for fast recoat so you can finish the job in less time.

Available sheens Flat, Low Lustre, Soft Gloss

Element Guard® Exterior

Element Guard Exterior paint performs in any weather and is specially formulated to tackle one of the most difficult painting environments: high moisture. Low-temperature application down to 2 °C.

Available sheens Flat, Low Lustre, Soft Gloss

Woodluxe® Exterior Stains

These premium-quality all-weather exterior stains protect and beautify siding, decks, porches, fences, and furniture. Available in oil-based and water-based formulas, as well as a wide variety of opacities and colours to set your project up for success.

Available sheens (Water-Based) Translucent, Semi-Transparent, Semi-Solid, Solid; (Oil-Based) Translucent, Semi-Transparent, Semi-Solid
